Incidently Ed wants to thank the people who made the day a success and promises the fans a regular ball club by July 1 at the latest. Ed after a bit of effort during which he piled up a telegram bill that would make J. D. Rockefeller turn pale, has a line on three men. These messages have been sent from the bleek hills of old New England to the sunny climes of Florida and from one coast to the other, and wherever Old Glory waves as the convention orators would put it.

Incidently (this is a good word so we'll use it again), these messages are calling for a couple of outfielders who can hit. They must be able to catch a ball, but the main thing is the ability to clout the pill when men are on the sacks or cloud it and get on as a starter. Purlers Going Good.

ONE LADIES' DAY

Ladies will be admitted free only one day to Springbrook ball park during the rest of the basebali season. This will be on Friday, and on all other days they will have to pay the admission fee.

The local owner had two scheduled each week ever since the league season opened. The other managers raised an objection when they learned Ed was treating the ladies to two days an an enormous order was issued that one free day will be the rule in the future. So today will not be ladies' day, but Friday will, and the ladies will be welcomed and given a treat without any cost to them.
